

WALK

THE PLANK

Support the construction of our 1000-foot boardwalk that will be located on the dramatic and expansive 21-acre hillside property in Moss Landing.

Your \$250 tax-deductible donation will assist Friends and MLML in the construction of a 1000-foot boardwalk that will provide public access to native dune and marsh habitats. This walkway will also provide a platform from which MLML faculty, staff and students may conduct important research. This boardwalk will be constructed with the latest in recycled plastic composite material, and along

the way there will be signs and viewing platforms interpreting the unique dune and marsh ecosystems.

In appreciation of your support, we will engrave your name, organization name, or company name (up to 26 characters) onto your very own 6-foot plank that will be placed in the future boardwalk. Planks can be requested in memory of a dear one.

Please contact Friends at 831-633-MLML if you would like to participate in this exciting project.

CUT ALONG DOTTED LINE

WALK THE PLANK

Included is my tax-deductible donation of \$250 for Friends of Moss Landing Marine Laboratories, Inc. to support construction of the boardwalk.

Please fill out this form and send it, along with your donation, to: Friends of Moss Landing Marine Laboratories, 8272 Moss Landing Road, Moss Landing, CA 95039
